

OPTIMUS Process Guide

Deactivation & Reactivation via EGIA Emails

For: Enrollment Team

Microf — March 2026

Who uses this tool: The Enrollment team processes EGIA emails to bulk-update OPTIMUS dealer accounts in ActiveCampaign. This guide covers both deactivation (suspension emails) and reactivation emails.

Part 1 — OPTIMUS Deactivation

When EGIA sends a suspension email listing deactivated dealer IDs, use this tool to bulk-deactivate their OPTIMUS SLPs in ActiveCampaign. Nothing changes until you confirm.

Step 1 · Open the Apps tab

Click  **Apps** (top-right corner). On the hub, click the **OPTIMUS Deactivation** card (red dot).

Step 2 · Paste the EGIA email

Copy the full body of the EGIA suspension email and paste it into the text box.

Step 3 · Click Preview

Click  **Preview**. The tool extracts dealer IDs and shows a table of accounts and current status. Review before proceeding.

STEP 1 · OPEN THE APPS TAB AND CLICK OPTIMUS DEACTIVATION

Micro Search

Apps

**Pre-Built Reports**
Run saved reports for activations, ARS, BDR summaries, and more.

**Report Builder**
Build custom reports by filtering any AC object and field.

**OPTIMUS Deactivation**
Paste EGIA suspension email to bulk-deactivate OPTIMUS SLPs/Accounts.

**OPTIMUS Reactivation**
Paste EGIA reactivation email to bulk-reactivate OPTIMUS SLPs/Accounts.

STEP 2 · PASTE THE EGIA SUSPENSION EMAIL INTO THE TEXT BOX

OPTIMUS Bulk Deactivation

Paste the EGIA suspension email body below. The tool will extract dealer IDs, find their OPTIMUS SLPs, and show you a preview before making any changes.

Dear Contractor,

We are writing to inform you that the following OPTIMUS accounts have been suspended effective immediately per EGIA policy:

Dealer ID: 14707 – TRI TECH MECHANICAL LLC
Dealer ID: 16755 – SUB ZERO MECHANICAL LLC
Dealer ID: 15432 – COMFORT PRO SERVICES INC

Part 1 — OPTIMUS Deactivation (continued)

Step 4 · Confirm deactivation

After reviewing the preview, click **Confirm Deactivation**. The tool will:

- ✓ Set each OPTIMUS SLP status to **Deactivated**
- ✓ Log an Account Activity note on each account
- ✓ Update Account Status to **Deactivated** if it was the only active SLP

■ **Important:** Dealer IDs listed as 'not found' may not have an OPTIMUS SLP yet. Note them and check with your BDR.

Dealer ID	Account Name	Current Status	Will Become
14707	TRI TECH MECHANICAL LLC	Contractor Activated	Deactivated
16755	SUB ZERO MECHANICAL LLC	Contractor Activated	Deactivated
15432	COMFORT PRO SERVICES INC	Contractor Activated	Deactivated

Tips & Things to Know

- **Nothing changes until you confirm.** You can always click Cancel after previewing.
- **Dealer IDs not found** will show as warnings — note them and follow up with your BDR.
- **Account status** is only updated if the OPTIMUS SLP is the account's only active SLP.
- **Activity notes** are automatically logged on each account — there's always a record.
- The tool affects **OPTIMUS SLPs only** — other programs (360 Finance, Microf, etc.) are not changed.
